BULLETIN #2003 - 1

APRIL 2003

WELCOME TO NEW BOARD MEMBER

■ LINDA J. BARNES ■

Linda Barnes works for TriHydro Corporation, an environmental consulting firm based in Laramie, Wyoming. She received a B.S. with Honors in Geology from the University of Wyoming in 1990. She is licensed as a Professional Geologist in Wyoming (PG-2472) and is also licensed as a geologist/hydrogeologist in eight other western/midwestern states. She is a member of the National Ground Water Association and the American Water Resources Association. Linda has over 12 years experience in site assessment, remediation design, construction management, regulatory compliance, and environmental geology/groundwater hydrology at petroleum-refining and petroleum-related industries, including hazardous waste facilities. Linda enjoys cross country skiing, mountain biking, hiking, fishing, and racquetball.

Wyoming Board of Professional Geologists would like to express its appreciation to **R. Terry Leigh**, who has served diligently and without fail for eight years. His efforts were a great benefit to the State of Wyoming and its licensed professional geologists, both on the local level as well as nationally.

BOARD MEMBER VACANCIES

Appointments for three of the members serving on the Wyoming Board of Professional Geologists will expire on July 1, 2003. Qualifications of board members as defined in W.S. §33-41-108 are:

P *residency in Wyoming*

P *5 years as a professional geologist*

P *7yrs of practicing professional experience, with at least*

2 yrs in a professional decision-making capacity

Each board member is appointed for a term of four years and is expected to attend four or more meetings held each year by the Board. Further information regarding the qualifications, duties, and responsibilities of board members is available on the Board's website: <http://wbpweb.uwyo.edu>

If you are interested in serving on the Board, for further information or an application, please contact:
